Demigods greek meaning

i: The demigods are persons who have a parent is a God or goddess and the other parent is mortal. | In the ancient Greek and Roman world the word does not have a consistent definition. It was rarely used and had a variety of meanings. The earliest recorded use of the term is in the archaic Greek poets Homer and Hesiod. Both describe dead heroes as hemitheoi, which meant half gods. Thank you very much for your cooperation. Demigod A hacker with many years of experience, a worldwide reputation, and a major role in the development of at least one design, tool, or game used by or known by more than half of the hacker community. In order to qualify as a true demigod, the person must recognizably identify with the hacker community and has helped shape it. Great demigods include Ken Thompson and Dennis Ritchie (co-inventors of Unix and C), Richard M. Stallman (inventor of EMACS), Larry Wall (inventor of Perl), Linus Torvalds (inventor of Linux), and most recently James Gosling (inventor of Java, NetWS, and GOSMACS) and Guido van Rossum (inventor of Python). In their hearts of hearts, most hackers dream of one day becoming demigods themselves, and more than one major software project has been driven to the completion of the author's veiled hopes of apotheosis. See also net.good, true-hacker, ubergeek. Since 1995 or so this concept has been gradually displaced by ubergeek. A demigod is a divine mythological figure, a god who is either a part human being, or a lesser god. In ancient Greece, dead heroes were sometimes perceived as demigods. Greek and Roman mythology have their share of demigods, and so does Hinduism - although in the latter case a demigod is defined as a deity or god who was once mortal. Hanuman, known as the monkey god, is an example of a Hindu demigod who was born human and achieved divinity. The word demigod comes from the roots demi, half, from the Latin dimidius, and God. Definitions of demigod 1 Synonyms: demon Types: Adonis (Greek mythology) a beautiful youth loved by both Aphrodite and Persephone Type: deity, divinity, God, immortal every supernatural is worshipped as controlling part of the world or some aspect of life, or who is the personification of a force of English to Greek Meaning : noun: ημίθεος Pronunciation: Add to Favorite: Demigod - ημίθεοςDemigods :: ημίθεοςAndre References : Noun(1) a person with great powers and abilities(2) a person That is part mortal and part god (1) Few of his soldiers shared Alexander's suicidal tendencies or his conviction that a glorious homeric death in battle would necessarily secure one's status as a demigod post-mortem. Up from the spray of your sea-perish --straight up, skip your apotheosis! Poligny never knew how far the extraordinary blackguard of an Erik humbugged him. - The Persian, by the way, talked about Erik sometimes as a demigod and sometimes as the lowest of the low --Poligny was superstitious and Erik knew it. Have you forgotten that this great man, this hero, this demigod, is attacked with a disease of the skin that worries him to death, prurigo? With the noble poise of his beautiful head on these broad shoulders, and the fire of life and intelligence in these fine, clear eyes, he could easily have characterized some demigod of a wild and belligerent bygone man in his ancient forest. Everything that moves between the quiet poles must be at my command: emperors and kings are but obeyed in their several provinces; But his dominion exceeds in this, Stretcheth as far as the maketh mind of man; A sound magician is a demigod: Here tired, my brain, to get a deity. Just to have seen him there, lolling at the swaying branch of the jungle-forest giant, his brown skin mottled by the ingenious equatorial sunlight that percolated through the green canopy above him, his clean limbs body relaxed in graceful lightness, his shapely head partially turned into contemplative absorption and his intelligent, gray eyes dreaming the object of their affection, you would have believed him reincarnation of some demistalthness of old. But now you have to answer the next question: Can a man believe in spiritual and organs, and not in spirits or half-gods? I beloved beloved all tribes of nymphoves and naiades, demigods and heroes, as well as the highs of Olympus; and I am afraid that by day I lived in a world that was internationalized and ruled by them, even though I faithfully said my prayers at night and fell asleep in mourning for my sins. The first seemed to be a gathering of heroes and demigods; the other, a knot of pedlars, pick-pockets, highwayman, and thugs. Apotheosis was worthy of these three heroes, whom fable would have placed in the rank of demigods. With intermittently a couple would approach the door for air, and the haze no longer obscure their functions, the demigods resolved themselves into the domestic personalities of her own neighbor neighbors. What he heard was no longer the philosophy of the dry, printed word, written by half-mythical demigods like Kant and Spencer. Spencer.
